## THE PLAIN TRUTH

### THE FAMILY

In South Australia, back in the seventies and eighties, there was a group of Homosexuals in high places called the Family.

They were behind the brutal slayings of young boys in the City of Adelaide, even a Channel Nine Newsman had his son abducted from the streets of North Adelaide and was found murdered.

A Supreme Court Judge was a part of the Family, (name know un-known), the parents of their son, (Barnes or Bartlet), who's son was brutally murdered by them in the hills of Elizabeth, I think know his name.

The Police knew their suspects, but it was all covered up as those involved were high ranking Freemasons.

I was raped myself in Adelaide by Homosexual Peadophiles from the age of fifteen to twenty one years of age. I was very immature and naive and got caught up in the homosexual scene during those years. I knew no different as they made it all appear normal, which it clearly is not. I was stripped of my Innocence and my manhood was destroyed, I became very suicidal, suffered migranes and stomach pains.

You would be surprised at how many Men, even married men, who visit public toilets for a mutual wank or headjob. Even Don Dunstan, the ex-Premier, frequently visited toilets and public parks in the area of Norwood. He introduced Hard-core pornography into South Australia and sex crimes against Women & Children increased!!

I remember a time, I visited the toilets at the beach and when I opened the cubicle, there was the organist from the local Uniting Church on his knees, playing with someone elses organ!!

Whenever I went to Maslins Beach, I would be preyed on by homosexuals, it is so rife and they have infiltrated the Churches and the State to make homosexuality legal. I know for a fact that Peadophiles have a saying; Get them before eight, before it is too late, and that the homosexual network are trying to introduce their number one plan. That is to reduce the age of consent to 12 years of age, so they can prey on the young. Here in Western Australia, our former Attorney-

**General, Mr Jim McGinty, reduced the age of consent for our young boys of 16 years to be allowed to commit the act of Sodomy. Why?, so he could Sodomise his young lover.**

**He is pure evil and ought to be locked up for life!!**

**This is the Truth and everything I say is WITHOUT PREJUDICE!!!**
